Re: Martin Luther King, Jr.
Security Matter - C

On May 21, 1965, "The New York Times," page 36, column 1, reports under the caption, "Dr. King Examines Rights and Laws," that Martin Luther King attended, spoke and received an award at a dinner - session of the American Jewish Committee's 58th annual meeting at the Americana Hotel, New York City, on the night of May 20, 1965. The award received was the group's American Liberties Medallion Award for exceptional service to the cause of human rights.

The article reports that King emphasized that American Negroes in their civil rights struggle were not "wilfully and frivolously" violating the nation's laws, despite the belief by many people that they were doing exactly that.

King criticized those "goodhearted people" who forgive Negroes "on the ground that they endure appalling grievances." He said that "these people forgive them for misdeeds they are not committing." "Negroes," King said, according to the article, "have never forgotten, even under the crushing burdens of injustice, that they are connected with the larger society; that the roads they may obstruct and the public buildings they picket are used in common by all citizens."

In his address, King said that responsible Negro leadership never approved a protest movement unless it could answer several basic questions.

Re: Martin Luther King, Jr.
Security Matter - C

Among these, according to King, are:

"Do we have a just grievance or is our purpose merely to create confusion for its own sake as a form of revenge?

"Do we have a clear program to relieve injustice which does not inflict injustice upon others, and is that program reasonable and grounded in the ethics and best traditions of our society?"

King then declared that in establishing these conditions "before employing direct action the civil rights movement meets its responsibility to society and fulfills its obligations to democratic principle."

He concluded by stating that "one of the most profound of all results of the Negro upsurge has been its effect upon the youth of the nation."

The article reports that Vice President Hubert Humphrey also attended and spoke at the affair.

I thought you might be interested in an excerpt from a recent expression by King which most emphatically illustrates the hypocrisy [REDACTED]

The "Courier Journal" of 5/17/65, a newspaper of general circulation in Louisville, Kentucky, carried an account of subject King's address at a service installing his brother, Reverend A. D. Williams King, as Pastor of the Zion Baptist Church in Louisville 5/16/65. At one point in his talk subject King "criticized any Negro minister 'who has...more religion in his voice than in his life'."

SECURITY MATTER - C

The Courier Journal, Louisville, Kentucky, a newspaper of general circulation, on May 17, 1965, reported as follows:

Dr. Martin Luther King, Jr., spoke at a service installing his brother, Reverend A. D. Williams King, as pastor of Zion Baptist Church, Louisville, Kentucky, on May 16, 1965.

King "congratulated Louisville and Kentucky for making 'meaningful strides toward equal opportunity,' calling it (Louisville) 'one of the brightest spots in the border states.'" He added a comment to the effect that Louisville and Kentucky still have a long way to go.

He announced that he planned to carry his civil rights crusade into several unnamed northern cities.

He welcomed the new Kentucky Christian Leadership Conference (KCIC) as an affiliate of the Southern Christian Leadership Conference (SCLC).

He "castigated white Christians--clergy and laity--for making '11:00 A.M. on Sunday morning the most segregated hour of the week.'" He "critized any Negro minister 'who has . . . more religion in his voice than in his life.'"

At a press conference, King stated that his economic boycott against Alabama was quite effective; that "'some' companies have promised to comply by not erecting new plants in Alabama." He declined to identify the companies or say how many.

King stated that the civil rights movement must be
militant, but that "militancy must be based on nonviolent
attitudes and methods."

King was welcomed the next day to the city by Aldermanic
President Kenneth A. Linder on behalf of the people of Louisville,
Kentucky. Before his service, King was given a check for
\$9,000 from the Urban League, a Louisville group set up earlier
this year to aid African civil rights workers.

Dear Mr. Hoover:

I would like to congratulate you on your 40 years as
Chief of the Federal Bureau of Investigation and for the fine job you
have done.

Also would you please help in identifying the person
in the picture I am enclosing. It shows a Negro looking like the
Rev. Martin Luther King at a communist training school in Monteagle,
Tennessee, about 7 years ago. He has probably changed somewhat by
now, perhaps putting on some weight. Of course a person looks different
from different angles, but I have looked at a lot of pictures of him, and
they all resemble the picture at that communist meeting.

I have read recently where you felt the communists were
starting to infiltrate the Negro Civil Rights Movement. Also I read an
article by Joseph Alsop saying the Southern Leadership Conference
headed by Rev. Martin Luther King has been infiltrated by the communists.
I felt if the picture of the man who looks like the Rev. Martin Luther King,
was really him attending a communist meeting then he should be thoroughly
discredited.

The communist party which really advocates the overthrow
of our government should be outlawed.

I feel and I know a lot of other people feel that the Negro
Problem is getting out of hand.

100-106670-1392

REC-32 11 MAY 25 1965

Also the communist, socialist, and liberal influence in this country is slowly eroding the freedoms of the individual that once made this country proud and great. If we continue the way we are, we will eventually end up under communism.

I am the father of seven children, 3 boys and 4 girls, so I am very much concerned with the situation as it is today.

Please let me know if you feel the Negro identified as No. 1 in the picture I am enclosing is really the Rev. Martin Luther King.

Respectfully,

Dear Mr. Hoover:

I would like to congratulate you
on your 40 years as Chief of the
Federal Bureau of Investigation, and
for the fine job you have done.

Also would you please help
in identifying the person in the
picture I am enclosing. It shows
a Negro looking like the Rev. Martin
Luther King after a comparison, turn-
ing slightly on Montague, Missouri,
about 7 years ago. He has probably
changed somewhat but by now, perhaps
putting on some weight. Of course
a person looks different from
different angles, but I have looked

a lot of pictures of him and they
all resemble the picture at that
communist meeting.

I have read recently where you
felt the communists were starting
to infiltrate the Negro Civil Rights
Movement. Also I read an article
by Joseph Alsop saying the Southern
Leadership Conference headed by
Martin Luther King has been in-
filtrated by the communists. I
felt of the picture of the man who
looks like the Rev. Martin Luther
King was really him attending
a Communist meeting. Then he
should be thoroughly discredited.

The Communist Party which really
advocates the overthrow of our
government should be outlawed.

[REDACTED]
BROOKFIELD, MISSOURI

b7(c)

I feel and I know a lot of other
people feel that the Negro Problem
is getting out of hand.

Also the communist, socialist,
and liberal influence in this
country is steadily eroding the
freedom of the individual that
once made this country proud
and great. If we continue the
way we are, we will eventually
end up under communism.

I am the father of seven children,
3 boys and 4 girls, but am very
much concerned with the sit-
uation as it is today.

Please let me know if you

feel the Negro identified as No. 1.
In the picture I am enclosing
is really the Rev. Martin Luther
King. T

Respectfully,

Gentlemen:

Recently, a speaker to a fairly large group in this area said that Martin Luther King has been a member of more than 60 communist-front organizations. This is not in accordance with my understanding.

My reason for writing you is simply to get the correct official facts. I assume that they will indicate that this comment should be refuted.

Very truly yours,

It was decided to hold further interview in abeyance until
the following morning.

[REDACTED] confidentially advised
that evening that her husband frequently becomes intoxicated
at which time he misunderstands or misinterprets what
people are saying to him. She was of opinion that due to his
past behavior little credence should be given to his story.

[REDACTED] was recontacted at which
time he advised that at approximately 4:00 PM he went to the
[REDACTED] Temple, Texas, and started drinking. After
approximately fifteen or twenty minutes an unknown male,
approximately 55 to 60 years old, 6' tall, short gray-black
hair, 190 to 200 pounds, wearing an old flannel shirt and
khaki pants, came into the bar and sat next to him. After
a few minutes MOORE started talking to this individual about
Texas and other topics. After a few minutes this man inquired
if [REDACTED] was in the Army at Fort Hood as a member of CID
(Criminal Investigation Detachment). [REDACTED] told him that he

was not and "never would be." The other man then began to talk about a "Mr. KING." He said Mr. KING was telling Mr. JOHNSON what to do and that KING would be running the United States next. [REDACTED] then said "no, he'll be stopped before then." The man then asked [REDACTED] if he was acquainted with military artillery and other military weapons and what [REDACTED] qualifications were on them. [REDACTED] told him he could "split a match right down in half." The man then again asked if [REDACTED] was in CID. [REDACTED] replied "No, but I am in CIA." [REDACTED] explained that he was not really in the CIA, but he just said this to string this man along. The man then said "You are from Panama." [REDACTED] replied, "No, I am from Arkansas, but I have been in Panama." [REDACTED] again explained that he was never really in Panama, but he was again stringing this man along. [REDACTED] said he then got disgusted with this man and tried to terminate the conversation. After approximately ten or fifteen minutes the man again spoke to [REDACTED] making some unrecalled remark about KING and KING's assassination. [REDACTED] asked this man if he knew the movements of this "so called Mr. KING." The man replied that he knew every move KING made and the time and place. [REDACTED] replied, "Well if you know all this, and I am the assassinator, what is my possibility of getting out of it after it's did, and how much money is involved." [REDACTED] again explained that he was stringing this man along, but this time in an attempt to develop some information regarding a possible assassination of KING. The man replied that there was no money involved at the present time. [REDACTED] told him, "Well I have to look after the security and welfare of my family. If I did it, I would have to have \$50,000 and a way out." The man said there was a way out, but no money.

[REDACTED] advised that at this point the man went to the men's room, and he, [REDACTED], started to leave the club. As he was leaving he asked the man how he could get in touch with him and this man replied "I'm here all the time." [REDACTED] said he then immediately went to his home in [REDACTED] and called the FBI in San Antonio requesting that an Agent contact him.

ALLEGED THREAT TO LIFE OF
MARTIN LUTHER KING, JR.

During the course of the above interview [REDACTED] repeatedly changed his story and exhibited great difficulty in recalling what had taken place the evening before. He admitted to having at least five or six beers and to being prone to easy intoxication. [REDACTED] further admitted that during the course of his discussion with the above individual, he steered the conversation toward the possible assassination of KING in an attempt to determine if any such assassination plan existed. He was unsuccessful in doing so. b7(c)

In view of the above, no further investigation is being conducted by the San Antonio Office of the FBI.

Re: Communist Influence In Racial Matters
Internal Security - C

A confidential source, who has furnished reliable information in the past, advised on May 19, 1965, that on that date, Clarence Jones was in contact with Dora McDonald, Secretary to Martin Luther King. Jones' comments included the following:

King wanted him to speak with McDonald concerning some material but understood that King already had received the material for Thursday evening (speech before American Jewish Committee banquet, Hotel Americana, New York City, May 20, 1965). He had been making notes and had gotten together with "my friend", but apparently Bayard Rustin had asked someone to do the work he was unable to do. What Rustin wanted to talk about is different from what he, Jones, and "our friend" were going to talk about.

He, Jones, had had the material described to him and when he realized it was different (from his own) he stopped working on it. The material sent by Rustin was not written by Rustin but Rustin advised what should be included and asked that the material be written from it.

Re: Communist Influence In Racial Matters
Internal Security - C

He, Jones, wondered if it was right for the type of gathering because of the great emphasis being placed on non-violence and the theory of non-violence. He, Jones, felt King should include the following in his speech:

Good people should not stand idly by and that the consequences of inaction and silence can be, in some circumstances, as devastating as the worst kind of brutal act.

The source has previously furnished information indicating that when Jones refers to "our friend", he means Stanley Levison.

Communist Influence In Racial Matters

In "The Saturday Evening Post", issue of July 11-18, 1964, page 76, Bayard Rustin is the subject of a feature article captioned: "The Lone Wolf of Civil Rights". In it, Rustin is said to have come to New York in 1938, as an organizer for the Young Communist League (YCL), and as such, he had the job of recruiting students for the "Party". Furthermore, the article reports that during his first years in New York, Rustin gave most of his earnings to the "Party". He reportedly left the "Party" in 1941, the article states.

The YCL has been designated pursuant to Executive Order 10450.

The "Daily Worker", February 11, 1957, page 1 column 2, reported that Bayard Rustin, Executive Secretary, War Resisters League, was an observer at the 16th National Convention of the Communist Party, United States of America (CP, USA), held in New York City, on February 9-12, 1957.

The "Daily Worker" was an East Coast Communist publication until it ceased publication on January 13, 1958.

Another confidential source, who has furnished reliable information in the past, advised on February 19, 20, 1964, that Bayard Rustin contacted Benjamin J. Davis on those dates X(u)

Attached reports a new pamphlet, "No Time For Communism," published by Gold Coast Publishers, West Palm Beach, Florida, apparently for one Lester Gilbert Morrison. Bufiles contain no prior information concerning the pamphlet, its publishers or Morrison. The pamphlet is an expose of King, appears to contain no new information as it is made up primarily of news clippings, excerpts from the Congressional Record and other similar public source information. We will carefully review the pamphlet to determine if it contains any new information.

Mr. J. Edgar Hoover, Director

Dear Mr. Hoover:

Recent discussions on the campus of Bowling Green State University have led me to inquire of your department about the record of Martin Luther King. Would you advise me of any public document(s) released by your department which pertain to Mr. King's involvement in or identification with the Communist Party and/or a Communist front organization. It would be helpful if you would either cite sources from which such documents might be obtained or send me copies of same.

I look forward to hearing from you at your earliest convenience.

Yours sincerely,

Martin Luther King, Jr.
Security Matter-C

On May 14, 1965, "The New York Times," Page 23, column 1, reported Martin Luther King's presence at Queens College, New York City, on May 13, 1965. His presence, according to the paper, was the first in an annual series of John F. Kennedy memorial lectures to be presented at the college. His address was before a crowd in excess of 2,200 who filled Golden Auditorium.

The article notes that in his speech, King went from civil rights to broader questions of peace and drew applause when he said he would "never adjust to the madness of militarism" in the world.

"It is either non-violence or non-existence", King declared. He said he wanted to be "as maladjusted as Jesus of Nazareth, who said, in his day, 'He who lives by the sword shall die by the sword'".

"If democracy is to live, segregation must die," King said. "It isn't going to just work itself out", he declared, attacking the "notion that only time can solve this problem" and decrying "The appalling indifference of the good people who sit around waiting on time."

"Time is neutral", King said. "It can be used either constructively or destructively." Not to use it for good, he said, was to cede it to those who would use it for evil."

RE: ALLEGED PLOT TO ASSASSINATE
MARTIN LUTHER KING AT
WILSON, NORTH CAROLINA
MAY 16 - 23, 1965
RACIAL MATTERS

Reference is made to memorandum captioned as above dated May 4, 1965, at Charlotte, North Carolina.

Sources familiar with activities of the United Klans of America, Inc., Knights of the Ku Klux Klan, were contacted and advised that no information had been received regarding a plot to assassinate MARTIN LUTHER KING at Wilson, North Carolina, or at any other place in the United States.

These sources advised that no information had been received concerning any plan of the United Klans of America to appropriate any amount of money to be paid to the killer of MARTIN LUTHER KING.

[REDACTED] advised that a check with Holiday Inn Motel, which is located on U. S. Highway 301, Rocky Mount, North Carolina, and also a check [REDACTED] at Wilson, North Carolina, failed to indicate that any large group of Negroes or MARTIN LUTHER KING have made reservations at these establishments for the period May 16 - 23, 1965. b7

recontacted a source he considered to be reliable but had been unable to obtain any further information concerning the alleged plot to assassinate KING.

b7(c) [REDACTED] Special Agent in Charge, 111th Intelligence Corps Group, Charlotte, North Carolina, was advised of the above information on May 14, 1965.

A characterization of the United Klans of America, Inc., Knights of the Ku Klux Klan, appears in the appendix to this memorandum.

1.

APPENDIX

UNITED KLANS OF AMERICA, INC.
KNIGHTS OF THE KU KLUX KLAN (UNITED KLANS)

Records of Superior Court of Fulton County, Georgia, show that this Klan organization was granted a corporate charter on February 21, 1961, at Atlanta, Georgia, under the name United Klans, Knights of the Ku Klux Klan of America, Inc.

A source advised on February 27, 1961, that United Klans was formed as a result of a split in U. S. Klans, Knights of the Ku Klux Klan, Inc. According to the source, the split resulted from a leadership dispute, and United Klans has the same aims and objectives as the parent group. These are the promotion of Americanism, white supremacy, and segregation of the races.

The first source and second source advised in July 1961, that United Klans, Knights of the Ku Klux Klan of America, Inc., merged with Alabama Knights, Knights of the Ku Klux Klan. The merged organization established headquarters in Suite 401, The Alston Building, Tuscaloosa, Alabama. The organization is directed by ROBERT SHELTON, Imperial Wizard, and is the dominant Klan group in the South with units in several southern states.

On August 14, 1961, the second source advised that the organization formerly known as United Klans, Knights of the Ku Klux Klan of America, Inc., would be known in the future as United Klans of America, Inc., Knights of the Ku Klux Klan. The second source said the name was changed by a resolution adopted at the National Klonvocation held July 8, 1961, at Indian Springs, Georgia.

Second source advised that at a meeting at Prattville, Alabama, on October 22, 1961, a majority of the Klaverns of the U. S. Klans, Knights of the Ku Klux Klan, merged with the United Klans of America, Inc., Knights of the Ku Klux Klan.

APPENDIX

UNITED KLANS OF AMERICA, INC.,
KNIGHTS OF THE KU KLUX KLAN (NORTH CAROLINA)
(UNITED KLANS)

On August 17, 1964, a source advised that the North Carolina organization of United Klans of America, Inc., Knights of the Ku Klux Klan, became affiliated with the national organization of the same group in the Spring of 1961. The State Headquarters are at the residence of North Carolina Grand Dragon JAMES ROBERTSON JONES, Granite Quarry, North Carolina, who is subordinate to the national organization with headquarters at Tuscaloosa, Alabama.

The organization in North Carolina has the same aims and objectives as the parent group; that is, advocacy of segregation of the races and white supremacy.

Reurtel 4/20/65 which reported on information obtained from Lovell Dye of the National Association for the Advancement of Colored People to the effect that his organization had received several telephone calls threatening bodily harm to King. Teletype stated that a letterhead memorandum (LHM) would follow.

Bulet (0-1) 4/27/65 requested advice as to when the LHM would be submitted. Your reply stated "See Boston letter and LHM 4/27/65."

Because the above-referenced communications were in the caption "Martin Luther King, Jr., SM-C" and the Bureau was unable to locate any letter from your office dated 4/27/65 in the King caption, it was necessary to request your office, by routing slip dated 5/11/65, copies of your letter and LHM 4/27/65.

A review of these 4/27/65 communications reveal (1) the LHM does not contain any information pertaining to the threats as reported in your teletype 4/20/65; and (2) your airtel (not letter) 4/27/65 is not in the King caption, thus explaining why the Bureau was unable to locate the correspondence.

You are now instructed to immediately furnish the Bureau, by return airtel, an LHM which will report the original information concerning the threats to King.

It is obvious from the foregoing that this matter was poorly handled from an administrative standpoint in your office. Much delay and needless correspondence has resulted. Form errors should be scored against the responsible personnel, Agent as well as supervisory, and they should be personally impressed with the necessity for exercising greater care in the handling of correspondence with the Bureau in the future.

MARTIN LUTHER KING....AT COMMUNIST TRAINING SCHOOL

The above picture was made by an employee of the State of Georgia, at the Highlander Folk School in Monteagle, Tennessee during the Labor Day week-end of 1957. The photographer was sent to the Highlander Folk School by the Georgia Commission on Education. The Highlander Folk School was abolished by an act of the Legislature of the State of Tennessee at a later date because it was charged with being a subversive organization.

Those numbered in the picture are:

1. Martin Luther King, Jr., of the Montgomery boycott and the Birmingham riots. Karl Prussion, a counterspy for the FBI for twenty-two years, charges that Martin Luther King belongs to sixty Communist-front organizations — more than any Communist in the United States. He is promoted and encouraged by the Kennedys.
2. Abner W. Berry of the Central Committee of the Communist Party.
3. Aubrey Williams, President of the Southern Conference Education Fund, Inc., The Transmission Belt in the South for the Communist Party.
4. Myles Horton, Director of Highlander Folk School for Communist Training, Monteagle, Tennessee.

These "Four Horsemen" of racial agitation have brought tension, disturbance, strife and violence in their advancement of the Communist doctrine of "racial nationalism."

Your letter of May 14th has been received, and the thought which prompted you to write is appreciated. I am indeed encouraged to know of your support and want to thank you very much for your generous remarks concerning my administration of the FBI. It is hoped that our future endeavors continue to meet with your approval.

Regarding the individuals you mentioned and your request for a list of reputable speakers, I would like to point out this Bureau is strictly an investigative agency of the Federal Government and, as such, neither makes evaluations nor draws conclusions as to the character or integrity of any organization, publication or individual. In addition, information in our files must be maintained as confidential pursuant to regulations of the Department of Justice and is available for official use only. Therefore, I am sure you will understand why I cannot comment as you desire. Karl Prussion assisted this Bureau by furnishing information on subversive activities from November, 1949, to July, 1958, during which time he was compensated; however, he was not a Special Agent. His personal ventures, opinions and comments are strictly his own, and the FBI is not in a position to comment on these in any way whatsoever.

In response to your request, I am enclosing some material on the general topic of communism. Perhaps you may also wish to refer to my books, "Masters of Deceit" and "A Study of Communism." These were written to help readers gain an insight into the true nature of communist activities, both in this country and abroad. Copies may be available at your school or local library.

Dear Mr. Hoover:

I would like to commend you for your work in the fight against the evils of the communist conspiracy. It is most evident to me that if it were not for people like you, we might now be a satellite of Moscow. I have hopes that you will not retire for many years, because this country truly needs a man like you.

Presently, I am a high school senior in Racine, Wisconsin, and during the past year and a half I have become most interested in the Conservative fight against communism. I have done extensive reading concerning this topic of the communist conspiracy. Many of my friends are unaware of the conspiracy and I have been trying to show them what is happening. Slowly, I have progressed with some of them, but others have come to see the truth. Recently, our city had the opportunity to hear Karl Prussion, as you know a former F.B.I. counterspy, speak about the conspiracy.

I had heard other speakers on this subject, but I feel that he delivered his message in a most meaningful and factual manner. Some of my friends asked me: "Is he credible? Why should we believe him? Could he still now be working for the communists?" I would be most appreciative if you would send me a letter, so that doubters might believe Mr. Prussion's message. I felt that no other, but you, could achieve this purpose.

Since we are planning to procure other speakers for this city in the future, I would also appreciate it if you would send me some kind of list of reputable speakers which you would recommend.

Also, I am greatly disturbed with Martin Luther King and his communistic leanings. I have read how you feel about him, but I would like something for my own personal reference and also for my friends.

I have tried to convince these people many times and in many ways concerning the conspiracy. They agree with me that you are one of the really reliable sources to which we can turn. Besides a list of reputable speakers and something about Mr. King, I would also like something about Walter Reuther and his actions. I would like this information for there is a great influence from labor in our city and, if I can only help to wake up these people; I know that many of them will see the light.

b7(c) [redacted] gave me permission to use his name as reference. He is doing an excellent job in this area to wake up the people to the communist conspiracy. I would also be most appreciative, if you would feel free to send me any additional literature which is at your disposal.

God Bless you and your work,
Sincerely,

Dear Mr. Hoover:

Is there any way in which citizens of these United States of America can legally urge an investigation of Martin Luther King, Jr., his associates and fellow travelers as to their association with known communist, communist party and with communist front organizations?

Can our senators or representatives urge the Senate or the House to have King thoroughly investigated, with the findings being made public? If there is any way in which this can be done, would you, please, advise by return mail?

Sir, may I take this opportunity to say that, in my opinion, you are one of the few truly great Americans now left on the public scene. May God richly bless and keep you is my prayer.

Gentlemen:

Enclosed is a mailing I received just yesterday.
It does appear to me that the facts depicted may
have been distorted.

I write to inquire whether there is definite
knowledge that the billboard as depicted is actually
true or whether this is a smear campaign conducted
by "The Councilor;" Perhaps this is out of your
category to investigate and advise citizens in
matters such as these; but if it is feasible, I
would appreciate an answer.

Sincerely,

This billboard at Montgomery, Ala. is the first of 807 scheduled for erection from California to New York. In foreground are Council officials.

Persons who want to sponsor a billboard in their city are invited to write to The Councilor, 228 Oil & Gas Bldg., Shreveport, or Orleans Citizens Council, 509 Delta Bldg., New Orleans. Pos-

ter sheets cost \$3.75 per set. The Council has billboards ready for use in many Southern cities, but sponsors must make full arrangements in other areas.

"Just how far we can go with this billboard project depends on how much the public wants to help," commented Courtney Smith. "Dr. Emmett Irwin has suggested that \$4,000 to \$5,000 would help

expand it properly. Anyone who wants to be a part can make out a check to the Council Billboard Fund and sent it in."

Depicted in the billboard, lower left, is Communist Party official Abner Berry. Seated next to King are Augrey Williams (identified as a Communist) and Myles Horton, a director of the communist training school.

Dear Friend:

On the reverse side of this letter you will see an actual photo taken in Montgomery, Ala. of the first billboard erected showing Martin Luther King at a Communist training school. We have been assured the cooperation of other patriotic groups across the nation in erecting the first 200 of these billboards as a means of "public education".

Through our TV investigation project (now in progress) we have learned that leftwing propagandists have invested MILLIONS to build the "image" of King. We can stick a pin in their hot-air balloon by erecting enough of these signs. Present goal is 807, but we might erect 1,000 to 1,500 if we get the help.

(One man has made available about 600 billboards just for repairing them, cleaning them up and paying land fees, where necessary. This is a tiny fraction of the cost of renting 600 billboards for 6 months.)

I am writing you to invite you to participate if you wish, either by erecting a billboard in your city or by helping with a cash donation. This project will cost a great deal of money to complete but it will be worth every penny that can be raised to expose to the nation the communist influence around King.

Remember, I'm not ASKING you for money. I'm merely giving you a chance to help out IF YOU WISH.

Sincerely,

Courtney Smith

Make checks payable to Billboard Fund, and mail to 228 Oil & Gas Bldg., Shreveport, La.

Incidentally, James Farmer who is leading the CORE invasion has advocated ON THE RECORD that land in the South be divided up among "Agricultural Collectives" as it is done in communist nations. This is a straw in the wind, indicating that some of these revolution leaders want to confiscate private property, and they will do it unless the nation is awakened. Leftwing newspapers may refuse to tell the whole truth, but we can tell the story on billboards and by word-of-mouth if necessary.

Memorandum

TO : The Director

DATE: MAY 5, 1965

FROM : N. P. Callahan

SUBJECT: The Congressional Record

Page 9085. Congressman Waggonner, (D) Louisiana, spoke concerning the news blackout on the association of men and organizations with Communist leanings with the leaders of the civil rights movement pointing out that it is well known to those in authority but these connections are very seldom made known to the people. He stated "In an effort to circumvent the news blackout on this vital subject, I plan, from time to time, to make these associations known by publishing them in the Congressional Record, where censorship cannot erase the facts from public view. The first of these insertions concerns the Communist Party and Martin Luther King and appeared in the current issue of the National Review Bulletin, volume 17, No. 19."

Also, exactly how do you define and identify a communist?
